“ It was so nice meeting you. Even though the circumstances were not that great in losing your mom. I hate that we didn't have the time to talk afterwards as we discussed. However, you are with Jesus now and nothing can take the place of that. God bless you and your memory. It was my pleasure in being acquainted with you. You have a family that is loving, the church family that will always love, and the accolades you received in death, show that you were a true man of God. We'll continue to stay close to Greg and his mom to help give them strength.

“ I met Reverend Earl Hill @ The Oklahoma Tax Commission years ago and we became such good friends and we remained friends. Having Earl as my friend made me laugh all the time and how he would come to my house and I would show him so of my cooking tips on how to make your food taste better; then we would sit around and sing and pray. I enjoyed my friend and that I am going to miss him dearly.

My Condolences to the family and his many friends for Proverbs 18:24 says this, A man of many companions may come to ruin, but there is a friend that sticketh closer than a brother. Earl take your rest and sleep peacefully. I Love You Always Your Friend Queen!!!

“ We are all going to miss that beautiful smile, your warm caring nature, all of the conversations we had with you about your queen (mom), life, and God. I am especially going to miss your hugs. I wish I knew the last time I talked to you, literally was going to be last time, That phone conversation would had lasted a lot longer than it did. We would have taken more pictures. You will always be in my heart and prayers. I glad you are at peace and back with your queen. I love you very much brother

Ear (Preacher) as I always called you, I am in utter disbelief. I know you worked hard at taking care of your Mother and I can't imagine what losing her did to you. We always shared the gospel of song with one another and shared our church stories. You will be greatly missed. Love you (Queen) as you would call me.
