“ *Alfretta is my classmate and dear friend, that's how I met Earl. They were always together! They were apart of a couples clan (I guess you could call us that), that did lots of things together when we were young and new to marriage! We had cook outs, New Years parties, all kinds of get togethers. Earl always accompanied her to all of our class functions. He lit up the parties with his friendly essence and dancing! He will be missed, dearly, and never forgotten. Alfretta I love you and I'm praying for you and your family, during this most difficult time!*
