“ To the family of Earline she'll be greatly missed. Never a dull moment while receiving services at the Salon. Always speaking highly of her children and loving the time she got to spend with her grandchildren. A proud Mother and grandmother. Love you Earline.

“*Earline was an absolute joy to be with. She loved to talk with me about her children and absolutely lit up telling stories about her beautiful grandchildren and great grandchildren. A joke we always shared around Thanksgiving was "somebody better learn this year to make my dressing." I know you will all miss her very much. I pray for peace for each of you.*
