“ Wishing comfort and peace to the family and all who loved Edward. He was a beautiful soul. We were neighbors for many years. When I was a little discouraged or struggling with a family issue, I would go across the street to see Eddie because I knew he would have a scripture to share and an encouraging word to lift my spirits. It had been awhile since we had one of those talks, but I will always remember how special those times were and how encouraged I always felt afterwards. Rest in peace in the arms of Our Heavenly Father. □
