“ *Edwina "Dena", my dear friend. We met in elementary school (Culbertson) and our paths crossed again at Northeast High School. She was vibrant and full of energy and very outgoing. She had a friendly spirit, never meeting a stranger and speaking to everyone. To her family, please find comfort in knowing that in her early years she enjoyed life and people. "With Loving Thoughts and Deep Sympathy."*

“ I met Edwina (Dena) some years ago at the Spencer Church of Christ and we became quick friends. She was a kind and loving person. As we grew older, we didn't spend a lot of time together as we did in the beginning of our friendship, but my love for her was always with me. I just want to let Brandi and Brittany know that your Mother will be missed terribly and will always be my friend forever. God bless you and your extended family.

This Beacon of Light is My Big Sister. Im already missing your laughter, your bright smile, your kind and sweet voice, your insurmountable wisdom and knowledge. God so blessed me with an Angel in my life called a Sibling, my heart is broken but I know your light is shining bright here and in the Kingdom....the Sun didn't set on 6/4/2020, because to be absent from the body is to be present with our Father, you entered into eternity. ...RIP my beautiful big Sissy. Thanking everyone for your condolences and continued prayers. Please keep us all, and especially my Sister's beautiful daughters, Brandi and Britney . 100 🙏 in your prayers

“ Memories of sharing recipes and meals, meeting for lunch or evening get togethers, watching our children and grandchildren develop into responsible, caring and successful individuals. She has the most respectful and considerate daughter's a mother could ask for, and how smart!

Sometimes just sitting on the porch and listening to nature or observing the beautiful hues of color in the foliage. Those were the days..

Dena was also a very kind, caring, loving understanding mother, grandmother, aunt, and friend. I will hold the memories of our association in my heart forever and will miss her physical presence. God go with you Brandi and Brittani. Vernice Browner
