“ *Please accept my sympathy at this sad time. I know words offer small comfort in your time of loss. I was shocked to hear of the passing of Eileen. We taught first grade together at Prairie Queen Elementary and shared many fun times together. Her room was just across the hall from me. I just wanted you to know that my thoughts and prayers are with you. Mary Rains.*

“ Eileen was my neighbor and incredibly good friend. My home was across the street from her back yard on 16th & Irving. I first met Eileen at a neighborhood meeting for the South Creston Hills & White Orchard Neighborhood Association at the YWCA on 16th and MLK. She was a strong and wonderful advocate of building a neighborhood and community with the people that lived in our area. Eileen wrote several articles in our newsletter and kept the community informed on topics that affected SCHWONA residents. She was also an area representative. Eileen was a fixture in South Creston Hills and had the kindest attitude towards everyone. I am proud to have had the pleasure of knowing Eileen. The community lost a beautiful soul. Rest in heaven Eileen.

“Eileen & I grew up together as next-door playmates, and have remained close friends, supporting each other some 65 years. I will miss our mid-week and Sunday phone calls, our girl trips, birthday and holiday remembrances, and the practical help we provided each other throughout our lives. It was an honor to be her son's godmother.

I am thankful for Eileen's Christian example, and happy to not worry about where she is. Her homegoing is to be celebrated.....

True to her profession, Eileen was a teacher through & through, and if you paid attention, there was always a lesson in her conversation.

My husband & I, along with my brother, offer our most sincere sympathy to Allen Jr. & Felice, and the House family.

“Eileen was a child with the sweetest spirit, and grew into an adult with that same spirit. She was a loving, giving person and spoke very quietly. I know this, as I was her babysitter and neighbor. My prayers are with the family.
