I am so sorry. I just heard about her passing. She was my amazing mentor in elementary counseling. she was amazing, we had such wonderful laughs together and our conversations always ended in I LOVE YOU Girl! She was such an asset to OKCPS counseling department. We only called each other a couple of times a year. I will miss Hepburn so very much! She was an angle to so many. When times were rough at school, she could lift your spirits. I love you Hepburn!

You have left a void in my heart. June Woodall
