“ My best friend Sha’Rhonda’s son Eric Jr., I remember my best friend bring you to my home. I remember holding you in my arms with my joy. I remember your smiles. Years and years later you become a man. Eric Jr, the day you went away my heart are ache and I can’t believe you just gone to soon. You are so young in the prime of life. I will miss you so much and I will meet you and your beautiful mom again. Love you. Love, Christina

When Eric Jr was 11 months ago, he was sleep on his mom's chest crying and his mom is trying to make him sleep and couldn't so I ask her, can I try that and she let me and I put him my chest and Jr was sleeping like gentle like baby and his mom was look at me and said how do you do that and I told her all you have is to be patient and patting very soft and she was like growl at me ha. That something I will cherish on Jr and Sha' Rhonda and I will always miss you and love you forever. Rest in Heaven Mom and Son.
