I am so grateful that my daughter and I had an opportunity to visit with my cousin Estelle earlier in the year. We laughed and reminisced about family and fun times. Estelle was always kind and funny. Estelle love her family. God bless the family always. Until we meet again! Heaven is rejoicing!

Bishop Rayford Chimney, hast thou not heard, hast thy not known that the everlasting father, The Lord. the creator of the end of the earth, fainted not, neither is He weary. There is not searching of His understanding. He give power to the faint and to those that have no might He increases strength . Even the youth shall faint and be weary and the young men shall utterly fall , but they that wait upon the Lord shall renew their strength, they shall mount up with wings as eagles, they shall run and not be weary, they shall walk and not faint. Praying for The Family, love all of you. Be blessed.

Your young men shall utterly fall, but they that wait upon The Lord shall renew their strength, they shall mount up with wings as eagles, they run and not be weary, they shall walk and not faint.

I will truly miss my Sister in Love Estelle, from the first day that I met you, I knew you'd be my friend. I knew that I could on you, no mater what life sends. You always had time to listen and time to give and share; by all your words and actions, you showed you really cared. You were so very special, it showed in all you do, I found a special friendship, and I gained a sister too. As a sister in love, you're Great, As a friend, you were the best. To have you in our family Makes us all so truly blessed. To my sweet Nephews Victor, Mark and David and family my heart and prayers are with you. Love you dearly Aunt Mable
