“ My heartfelt condolences goes out to Bud's family & friends. My fondest memories is: Bud leading the choir at Cathedral of Deliverance church & taking us to a basketball game and ball drop at Bricktown to celebrate New Year's Eve. What a great guy & gift to anyone that met him. He will be greatly missed. I know GOD blessed him & he now has eternal life in GOD'S Kingdom.

“ I will always remember your contagious smile and boisterous laugh. You always dropped little gems of wisdom on all of us young people at the plant (Lucent). You were the first person that took me on as your domino partner during break time. You played a mean game of dominoes. You’ll be missed. Rest easy Bud!
