“ Throughout my life, I often think back to Ms. Grayson. I grew up poor, scared and without much guidance in my home life and Ms. Grayson never made me feel embarrassed or ashamed. She would drive me to school during fall and spring break so that I would be able to make up all of my absences and would often give me a bag of groceries to take home because she "had extra and wasn't going to use them and didn't want them to go bad". She guided me beautifully through a life where the odds were stacked against me and I will forever be grateful.

“ To the family of our dear friend and classmate (DHS, 1960 and LU,1964), I pray you will receive peace and solace from our Lord. Mother Frances, as she was called by many, was the impetus and backbone for our class reunions. Who will carry that torch now? All I know is, she will TRULY be missed by all of us...once a Trojan, ALWAYS A TROJAN!

“ We are all going to miss "Home Girl." She was a Jewel. Frances was a mentor and a real helper. She was as real as it gets when it comes to being perfect. Our family loved her because she took up so much time with out first granddaughter, Diamon. We truly appreciate her for that. We'll miss her smile and all of her craziness. But we loved her just the same. Carry on Sis!! You're always in our hearts.

“ Absent From The Body, Present With The Lord. "Homegirl Grayson", always greeted me saying "Count It All Joy!" Sometimes Homegirl would allow me to help her with her expertise in setting up the tables for the various meals, the candles all had to line up perfectly. Frances loved her family, her Church family and of course Education. To the Family of Frances Ruby "Homegirl" Grayson, organizations that she was a part of and her St. John Missionary Baptist Church Family, we all have super great memories. Family, be encouraged and comforted for The Joy Of The Lord Is Your Strength. " Homegirl Grayson", Victory In Christ Jesus. Friend and Prayer Partner.
