“ Momma Gayle, you were more than my neighbor you did your best to keep Terrie and I out of trouble growing up. I knew if I stepped out of line in your sight there would be repercussions. I thank you for your oversight.

“ My Terri and Tanisha,
Gayle was a special woman, and she loved you deeply. Even though she's no longer here, the kindness, strength, and joy she shared with you will always be part of your life. It's okay to miss her — it just shows how much she meant.
Lean on your family, and lean on me. I'm here for you every step of the way.
