“ Living next to George and Cathi Hughes these past 20 years has been a true delight and blessing. George was always kind, friendly and thoughtful with all of us and even the local deer. He loaned our youngest son a pair of cuff links for his senior prom and then told him to keep them, because “ you never know if you’ll need them again.” There are So many instances of George’s kindnesses. We are grateful for having the Hughes as neighbors.
