“ Just heard of Diablo passing on today. It hit me like a ton of bricks. For years he worked on my cars. Lol only if it was a Ford. Also helping me to pull or push my vehicle to a safe place or his home for repair. Rest my dear old friend. You will be truly missed. My condolences to Kay, Danny and Toothpick.

“ I have tons of great memories of my granddad. It's hard to pick just one. From him crossing medians because traffic was moving too slow, him scaring us while watching a scary movie, to him walking me down the aisle. There are tons of great memories of my granddad. I will love him forever and always.
