“ *The righteous pass away; the godly often die before their time. And no one seems to care or wonder why. No one seems to understand that God is protecting them from the evil to come. For the godly who die will rest in peace.*

“ George was a very happy child that was loved by all. He learned quick. I will never forget the day his training wheels were removed from his bicycle. George came flying down the street with ease controlling his bike with a big old smile on his face.

“ I'll never forget the memories we had together Miles. In both The Army and out... In times of comfort and just to talk; You were always there for me. You were my Battle and no one will ever replace you. Words can not express the sadness and grief I'm feeling right now. You will always be in my heart and never forgotten. You were my brothdr. I love you bro.
