“ *Ghita and Bill Williams were close friends of mine. Her husband, Bill and my (then) husband, Bill Arnold were great friends and co-workers at the United States Postoffice. We remained friends throughout the years for more than 40 years. She was always such a lovely person whose pleasant personality and a great supporter of Black Liberated Arts Center, Inc. Ghita will be missed. I am praying for the comfort, peace, and strength of the family. - Anita G. Arnold*

“ Mrs. Ghita was one of my most favorite people. Every Sunday morning when I came into the Sanctuary, I would always catch her eye first thing. She would always hold out her arms for that wonderful hug for me, she never missed giving me a hug and kiss no matter where I saw her; and she always wanted to know what was going on in my life. If I was absent from church for too many Sundays, she would always send me a card to let me know I was missed and when I returned, she would always give me that loving hug and tell me she was glad I was okay. She never missed a birthday, I would receive a card every single year. She was close to my son and kept up with him. She always told me how proud of me she was; She encouraged me to return to the choir because she loved my voice and missed it; which is why I did return on two separate occasions. When I would sing in Sunday School, she always told me how she loved listening to my voice. Her genuine care and concern for myself and others was always touching. I will be forever grateful for having her in my life, all my life, and I am going to miss those "hugs" and cards. It will not be the same when I return to church and she is not sitting on that second pew with that lovely shine on her face waiting to give me my hug. She was a true Christian woman and was beautiful inside and outside. She will be missed tremendously. My prayers and condolences go out to Troy and the family for your tremendous loss. Ghita was a rare jewel that will be missed. She has truly earned her wings and is safely resting in the arms of God.

“ *Mrs. Williams, I am forever grateful for having you in my life. The influence you hand on me in the youth Sunday Class is unforgettable. The care and concern was so touching. When I was dating and later married Jon, you embraced him too. In fact, he got your birthday card 3 weeks ago. I have cards from you too. We will cherish them. You were beautiful inside and out. I know you are at the Father's feet. If anyone knew where they were going it was you. I am praying for Troy and the rest of your tribe. I miss you all ready but I am grateful for having had you in my life. Thank you for everything. Jon and Diane Wood.*

“ Godmother I miss you so much. I have started to pick up my phone to call you like I have done so many times, then I remember that you are not here anymore. I always parked next to you at church so we could come in together or if you got there before me I would go straight to you to get my kiss on my cheek. I remember when you asked me for my address at church one day and you sent me a card that had a note in it when you asked me to be your godson, you said that it was a heart thing, and ever since we have talked at night for at least 2 hours at a time when I would call you. Who will be here to listen to me now? You always told me how much you loved the Christmas, birthday and Mother's Day cards that I would send you, that was so important for me to do for you. I love you "Mommy Dearest" which is what I would call you, thank you for loving me so much and being the sweetest mom that I could ever have. Rest well my angel until we meet again. I love you.

“ Tiffany McDaniel-Fears reflected on Mrs Ghita as a great Sunday School Teacher, and worked with the Rose Buds, and just how kind and sweet she was. Ghita demonstrated Christian principles , and I always said when I grow up I wanted to be just like her. I will miss her warm smile, soft voice , and words of wisdom. Tiffany and I were blessed to have Ghita in our lives. RIP woman of God .

“ Mrs. Ghita was an amazing person, friend and mentor to me and countless others. She has been such a special part of my life for so many years (dating all the way back to Sunday School and vacation bible school at St. John Missionary Baptist Church), it's really hard to imagine that she is no longer with us. She ALWAYS celebrated my accomplishments and I made a point to let her know that she played a pivotal role in helping to shape the woman I am today. Though she will be missed, I know for sure that she is now at peace in the blessed hands of God. My heartfelt condolences to her son Troy and all the family and friends who were blessed to know Mrs. Ghita. Sincerely, Dara Richardson-Heron, NYC

Blessings to the entire family. God has called an angel home, Mrs. Ghita Williams. She will be missed, but never forgotten. Mrs. Ghita would celebrate every birth, birthday, accomplishment, and graduation of our three children- Brandon, Toria and Naya. We still have the beautiful cards and words of encouragement. God will continue to bless her family as she blessed so many. Praise God for Mrs. Ghita Williams. Many Love, Tori Richardson-Hill , Leon Hill and Family

I will never forget such an angel. Mrs. Ghita Williams was my Mother's prayer partner & friend. When my Mother passed, we were going through many memories and I found a folder that was titled "Ghita"! It had cards in it for over 20 years for all holidays. Such a blessing to know her and how she loved our entire family. Be assured that she is at peace and resting well. Maria & Amari Richardson

“ *My deepest condolences to the family. Ghita was a special friend to me and my son all o my life. She used to live right around the corner from me many years ago. Ghita was very special, she remained the same every time you met her. I always saw her first when I entered the sanctuary every Sunday Morning and always gave her a hug. She was beautiful inside and outside; and she was a true Christian. No words can express my sorrow when I heard of her passing, she will certainly be missed. A woman so wonderful she was no less than an angel. My heart goes out to Troy and the rest of the family. Ghita will be sadly missed. May God comfort each of you during this difficult time.*

*Prayers and Condolences to my friend Troy and the Anderson clan, growing up with Troy was lot's of fun, from cub scouts, to little league baseball, to 4 years in High School band. Mrs. Williams would always tell us things that were Godly, righteous and true. She will be missed, but remember this: For what is your life? It is even a vapour, that appeareth for a little time, James 4: 14

*Mrs. Williams, your kindness to me will always be remembered. You encouraged, uplifted and inspired me and so many others at St. John Missionary Baptist Church. I still miss your presence whenever I am visiting OKC and when I walk past the pew where you sat in church it seems that I can still feel your presence. I hope you are at peace and rejoicing in God's heavenly realm. You were a true and faithful Christian. Your voice, smile, wisdom, and compassion were your gifts.  
THANK YOU!!!!!!
