“ *Gladys will be missed dearly. I met Gladys through my neighbor and we instantly became friends pushing each other to go walking. She has helped many people/families with Helping Hands and on her own. I will miss your laugh and you my friend.*

Remembering Gladys from Central High School. I was giving her a ride home, my car caught on fire (engine). She helped me throw dirt on it to extinguish fire. I send my deepest sympathy to Gladys family, and friends, may she Rest In Peace.
