“ I’m thankful I had the blessing of fellowshipping with Glenda at the Loving Saint James Baptist Church. She was beautiful inside and out. I loved her spirit. What you saw was what you got. She was genuine, kind and loving. She had the voice of an angel. Thank you, Jevon, Oliver and Denise, for sharing her with me and all the others she encouraged. She was such an encouragement to me in ministry. She knew her Word. God bless you all. You are in my prayers.

“ *Such a loving mother that supported her children. Train up a child in the way he should go.... We will all miss being in your loving presence especially while supporting your children but oh to be in the presence of The King. Praying for the family. Sharon Johnson*

“ Glenda and I were college roommates. I met her mom and siblings when she invited me down to Quincy for spring break. I will always remember my time that I spent there, her smile, and our deep friendship. My love and condolences go out to her entire family. How lucky you all were to have her! Denise

“ I am extremely saddened to learn of the earthly demise of a great educator, mentor, and friend, Ms. Glenda Oliver. I was blessed to have met her when we taught together at Douglass High School several years ago. She was loving, kind, and committed to her students. She was also supportive of her teacher colleagues and administrators. Ms. Oliver will be missed by all who knew her and loved her. Prayers will remain with her family.

“ Our hearts are completely broken by the transition of Glenda. She was a long time friend and Co-worker. She was a walking, talking book of infinite words and knowledge. I hold many personal memories of her in heart. I was there the night Jevon was born. My family will miss her but will never forget her. May GOD bring comfort to Jevon, Jordan, and the family.
