“ I will miss Aunt Glenda, she was always a delight to be around. She was the perfect mentor to me; always demonstrating how to be a wonderful Aunt to the two beautiful nieces we share, Kerrington and Kai. Rest in Love Aunt Glenda.

Love Always, Kjulonda Ogles

My prayers and condolences go out to the entire Walton Family. Glenda was my sweet cousin that reminded me so much of my sister. While living in Denver she would always keep in touch with her family here in California. Then she moved to OKC and FaceBook came along where we stayed in touch by messaging one another. Glenda was a Beautiful Flower that God chose from his Garden the other day. She's now in Heaven where she is no longer suffering, no longer in pain. Imagine the smile that's on her face right now! My hope and prayers is that we see her again, along with the rest of our families...

Rest in Heaven Glenda, we'll see you in the morning...
