“ Aunt Glendora planted a seed in me while I was a little girl; She made me feel like a little princess by making me several beautiful outfits that echoed her seamstress talents, including a leather-like cape, poncho, and skirt. I will always remember her love and care—additionally, the holidays we spent having family cookouts at your home. Ron, Elaine, and Michael, You all are in my prayers during this time of bereavement. I Love You All and may God's Love keep you in His perfect peace.

Your cousin, Dr. Kimberly Elaine Taylor
