“ Stephanie, Ray, Kenele and family, I remember the good times we had growing up as kids and the fun we had. The memories we shared playing on the block. I remember your mother being as tough as nails as a child and grew to know her as an adult as a caring, compassionate and strong advocate for the causes she believed in. She gave hope and joy to many in her work in the community. I was blessed to get to know another side of her as an adult that I will always treasure. Know she made a positive impact on others and will be missed. Cherish the memories and may you find peace. Traci and Michael Rhone

“Greta was a friend and fellow worker in the Oklahoma Community Health Center movement. She worked tirelessly to expand the number of health centers in Oklahoma in order to provide needed healthcare to those who were the most desperate to receive it. Her heart was deeply entrenched in giving to those in need. May God bless you in this difficult time. Sincerely, Tim Starkey, CEO, Great Salt Plains Health Center, Cherokee, Oklahoma.

“I met Greta (Shepard at that time) at LaJuana's Beauty Shop on northeast 23rd Street, in 1978. We bonded immediately and exchanged numbers. One week later we saw each other again at my workplace (Xerox) where she secured a position as payroll coordinator. We became fast friends and she introduced me to four other ladies: Mrs. Brenda Wilson Horton, Dr. Rosemary Carter Harkins, Ms. Barbara Paxton Wilson and Ms. Cheryl Paxton Threatt Gates. We socialized at least once a month until I retired and moved back to Hugo, OK in 2007. We are still friends until this day. Barbara Wilson has also gone to be with The Father. Ray, Stephanie and Kenelle, a mother's love is the greatest gift you can ever receive. My prayer is that your adjustment to the loss of your mother's physical presence will be brief. Hold on to good memories. I will hold the sweet remembrance of our friendship in my heart forever. Vernice Browner

I met Greta when I would go to visit my aunt that was her family's neighbor when they lived on Euclid street. Throughout the years when I would come to Oklahoma City, I saw her. She was a wonderful person. My condolences to your family.
