My husband and I send love and condolences to the entire family. We never met him but we feel assured that he was truly loved and nurtured in the right way by loving parents. Large families have the advantage of loving so many with the same amount of love and care. We salute all of you for loving unconditionally. Mr. Sicard and Ms. Joe, we love you and admire you for all that you do for your family and for others. Now it's time for everyone to care for you. We know that God will continue to care for you and bless you in mighty ways.

“ *Class of 1998 Edmond Santa Fe. Man what a beautiful person Hargis was. He was the life of the party in so many great ways. I'll never forget roaming the halls bugging the girls with you. I'd tried to find you a few years after graduation but I never could find an address. This tears me apart b/c I think you're the first classmate I've lost that I was friends with since Aaron. All of God's peace to your family and hope that you are resting well now.*

“ *To the Billyos family. From Uncle Frank and Aunt Carla. We are so sorry for your loss and our condolences to all of his family. We lost him too and he will be deeply missed but never forgotten. We are honored that we were a part of his upbringing and a part of his life. He is a soldier in the army of the Lord. He fought the good fight of faith and we to must keep fighting and we will see him again on the other side. We are praying for God's strength to move in his family. Amen!*
