“ *Harold was my friend and classmate from elementary to high school. He was always a great person and quick with a sharply worded come back no matter the subject. We lost touch for a time... guess that is just life and building opportunities throughout life. Even though I didn't have contact with my friend later in his life, I always considered him a very wise friend. I want to give thanks to the lord for the many great memories my friend brought to my life and the influences on others. God please bless Harold with your goodness and blessings to this family in their times of honor and remembrance of my friend Harold Denson.*

“ To the Denson family, the Jones family has loved you all since our childhood days. To my cousin Glenda, classmate Vickie, co-worker's Sharon & Jerry, please know that there are so many of us who feel the same sadness for your loss. I worked with Harold at SW Station, we all loved him & so did his customer's. He was so dedicated he once told me he spent the night at the station on Christmas Eve 2009, during the worse snowstorm we'd had in yrs . Please know that my family will continue to pray for you all, asking The Lord to continue keeping you in His tender loving care.
