“ *OMG I just shaken to the core of my soul to read this because I didn't know. Lord have mercy. Henry was like a family member. My Mom worked for her and then I worked for her at Community Action when the office was moved to the community and placed in the church. Please Please Please forgive me for not sending my Prayers and Condolences to you all before now. May God keep showing up for you every day because I know how close you were to your Mother and how much she Loved her Boys. Peace and Blessings. God Bless All of you one and all. From the Moore Family. Children of Mary E Moore and our families.* 🙏❤️😭👍

To the family of Henri Wilson, you have my prayers during this time of bereavement. Henri, Gwendolyn and myself Darlene Johnson Reid was best friends in school. I am thankful that after not being in contact for many years, 10 years ago we all were reconnected and enjoyed calling and talking to each other, I enjoyed being able to go by and see her while she was in the nursing home. May the Lord comfort you and give you peace praise God, to Andre, Henry told me how you actually took good care of her so may God bless you for that. If there's anything I can do please let me know. Love to the family
