“ Dear sweet Hilda: Thank you for being you. I will never forget the many times our family would gather at your home in Milpitas. You were the kindest hostess one could wish for. Thank you for your loving heart and your unwavering love you showed towards LaJuan, Shaneice, Brittany and Myself. I had no idea our last phone conversation would be the last time I would hear your voice, your wit and your laughter. You will forever be in our hearts. Take your rest in Jesus arms and know there are loved ones that were waiting on you. Please kiss my Mom for me. Love you forever.

To Ann, D and Elizabeth, my sincerest condolences for the loss of your beautiful mother and her spirit. She will always be with you as your Guardian Angel.

Love Always,
Janice Foster
