“ I am so deeply saddened by the loss of Jalynn. To her family and friends, I am proud to have served alongside her. I commissioned with her in 2006 from USNA and served with her on USS HARPERS FERRY on our first tour as division officers. I will always remember her contagious laughter and grand smile. She had a true passion for being a Surface Warfare Officer and I admired her strength and courage to do the right things, the hard things and the undesirable things the Navy demanded of her. May she rest in peace in heaven and may her smile shine down on all of us.

“ My wife CDR Geraldine H. Casey, JAGC, USN (Ret.) and I had the pleasure of serving as “Sponsor Parents” for Jalynn and two of her classmates when they graduated from the United States Naval Academy in 2006. She was a fierce competitor on the Navy women’s rugby team and was selected to attend Navy Nuclear Power School after graduation. She served as a Surface Nuclear Officer then left the Navy to pursue a law degree in Oklahoma. Jalynn was a beautiful and caring person. We pray she rests in eternal peace in Heaven.

“ Jalyynn had the most infectious smile and such a tenacious spirit! I always admired her hard work and drive while we were at USNA together. I am so thankful for her friendship as we, the mighty seven black girls of USNA 2006, bonded together to not just survive, but thrive.
