“ I am sorry for your loss. Larry was in our mail department when I worked at Liberty/Bank One/JP Morgan Chase. He was the most conscientious person I have every known, always wanting to do the right thing, and be the best and courteous doing it. I had many laughs with him. He truly will be missed for his smile and caring way.

“ Shamra Ball lit a candle in memory of Mr. James Larry Combs

Shamra Ball - February 29, 2020 at 12:52 AM

“ My later memories of my papa were not good. Those memories are not what we think about though. Although some may think of the bad memories, I can't help but to think of my earlier memories of him. I remember when I broke his kitchen table. I remember him in his giant blue one for when he was a mascot at Bank one. I remember him helping me put the star on my memas and his Christmas tree. My favorite memory is when he gave me my first taste of champagne on new years eve. When we mourn it shouldn't be over the person whom we thought someone was, but we mourn over who they are to us. I will always remember papa for the good things. I will always love him. May he rest in peace and look down upon us in his home up in Heaven.

“ I am so very sorry to learn about the death of your loved one James Combs. I pray that the loving support of caring friends will be a source of comfort for you and that you know how much others care and share your loss. Our loving heavenly father assures us that the time will come when we will see our loved ones again by means of the resurrection. John5:28-29 Death is a temporary loss because the bible promises that our dead loved ones will live again!! What a wonderful time that will be! Do not let your hearts be troubled. “ My fondest memory of my father-in-law was the time he challenged me to a friendly game of pool... which I won... and was extremeley proud of myself... until the next time we played and he wiped my butt off the table!!! It was only then that I realized my wife was right... he let me win the previous game.
