“ *My Dear Cousin, you will be Greatly Missed! Your contagious smile, and jokes, always had me and others laughing. I would tell you, I'm saying a special prayer for Debra, because she has to put up with your jokes, 😊. I know how much you loved "Lil Bit" your wife, children, grandchildren, and Pauline. Most importantly, I knew how much you loved the Lord. So, cousin..I will see you on the other side. Well Done, Thy Good and Faithful Servant, Well Done. 🙏*

Please accept my family's condolences for your loss. My son also knows Rimmon and sends condolences as well. “ Lisa and I share our condolences to the family. J.R. was such a special person to us. He delivered carpet to our business for years. He always lifted our spirits by his presence. There was a period of time when Lisa had serious health issues and even though we might not be at the store, J.R. would put our carpet in the warehouse and would usually leave a note or card telling us he was praying for both Lisa and I. I vividly remember one day when he brought us several rolls of carpet and when I opened the warehouse I told him that there was no way we were going to get all those rolls to fit. He looked at me and smiled and said "Rick- you gotta have faith" and guess what he figured out how to maneuver everything around and he got them to all fit. Such a special guy that loved life, loved people and loved the Lord. We will miss you our friend. Rick and Lisa Griffin

“ James had several names he was called by his family: Jr., Henry, James Henry and Snoop. Whatever name was used he answered. James was a giving person and always joking about his situation or someone. He always invited you in his home and let you eat whatever was there. The cookie jar was my favorite and it always was full. James will be missed but always rememberd for his kindness and his love. Deborah, Kelvin Lee, Rimmon Cole and Pauline and the entire family hold on, weeping may endure for a night but joys comes in the morning. Brother in law keep smiling!

James Henry, I had just talked with before I went on vacation. James Henry as I called him was one of a kind. Always laughing and joking. He never met a stranger. He was kind to everyone. So now it's time for you to stand on your post as an USHER at the Pearly Gates. You will be missed but never forgotten. Rest In Peace In Heaven. To be absent from the body is to be present with the LORD. Love, Jarryl and Juanita Roberts.
