“ To the family of Janet. may God wrap his arms around you , hold u tight to help ease your pain during this difficult time. Janet and i go way back , growing up on the eastside in Parkestate, we became best friends from longfellow, to Eisenhower middle school to The Mighty Johnmarshall Bears. I remember me and Janet would always sneak away and ride our bikes from either her house or mine and ride all the way to my cousins house off 18th n kelly or to NE 5th and Lindsay. and of course Travita would always tell on us, lol. Janet dedicated her life to her Kids. Always putting herself last. Janet had the prettiest straight white teeth . Just a beautiful person inside and out. We lost touch for awhile , by just living our own lives. So just a word of advice. Keep in touch with those you care about, and always let them know how much you love them. Because you never know when you’re not going to be able to tell them and they hear you. Sincerely Tonya Brown Jones, Takorya, Elgie and Tiana we send our love and condolences ,
