“ *My condolences to your family. So sorry for the delay I just found. I was also sorry that my son did not get to know his father not on my account, but for his satisfaction. But maybe they will meet in heaven. God bless you all. Jawan Scroggins Watters and Jada*

“ Jeff Brown was and will forever be apart of Allied Universal (POTA) work family..he and I worked together 8 years and it wasn't always easy in the beginning (lol) but then, one faithful 🙏 day came and we became friends!

😊 His presence will be sorely missed around here! Every morning he'd make sure everything was clean/ germ free as I'd come in to relieve him off duty (EVERYTHING like keys, radio, cell phone, desk phone, keyboard, the mouse and stapler would be wrapped up and covered with Clorox sanitizing wipes) lol and he'd say, heyyy buddy! I can still hear his voice and see him smiling saying he's ready for the weekend and probably going fishing or going to sip on some Johnny Walker Black..I'm still at a loss for words, my heartfelt prayers and condolences are with all who loved "Brown" Hold on to all of the good times and memories shared as I pray they bring peace and comfort. ☐
