“ I worked with Jeff at children’s X-ray on 3-11 shift many moons ago. I thought of him today after all these years. He was a great technologist and made friends easily. I loved his genius dry sarcastic wit. He always had a good book to escape in to. He was always ready to help. He was a real friend. Rest in peace

“ Going to miss you my friend, I am glad we got to break bread together before you left us.

God bless you brother as I know that you are in a better place.

:)
