“ *Words cannot express the emptiness I feel in my heart at this time. We shared so many good times and so many good laughs together. She was so full of joy and laughter. You could not ask for a better person. I am going to miss you dearly, Ms. Jill. Things simply will not be the same without you. I know you're in a better place and I'm only striving to be where you are one of these days. To the family: I know you loved her and so did I, but God loved her best. Rest on, Ms Jill. Love, Ms. Lynda (Alexander)*

“ *My Aunt Jill was a very lovable and caring person with a heart of gold, she had a deep love for her children, grandchildren, great-grandchildren & anyone else that was around her. I have never met any other person today that laughed so hard like she did, I will always remember her like this. She always had someone living with her, whether it was family or friends, she took you in with no questions asked. Love you dearly my beautiful Auntie, RIP*

“ The day that God called your name it broke my heart in two but heaven needed an angel and the one he picked was you I just wish he could have waited and let you stay with me but you have left memories in my heart and that’s where they’ll always be I just wish I could rewind the clock or make it turn real slow I could have hugged you one more time before you had to go no matter how much time will pass I’ll miss you everyday keep shining bright in heaven so you can light my way.

I love you forever & always

“ My aunt Jill may be gone, but the memories she created will linger in my heart forever. Her love and kindness were boundless, and she had an incredible knack for making her nieces and nephews feel like they were the most important people in the world. Her laughter was a source of pure joy, and I am so grateful to have had her in my life. I will miss you aunt Jill. I love you forever and ever always
