“ On the day I got the call I knew would come one day just not so soon my heart broke forever 💔. I talked to you so often and I know you can hear me Today I love you Aunt Jo , Although my eyes fill with tears when I think of you being gone forever, My heart still feels your love ever so near.
You were a source of strength for me , for you'd always tell me us Leo's are strong and to wipe those tears away.
And now to have to say goodbye to you How ? That's the one conversation we've never had maybe because you knew I wasn't ready for that answer.
My heart is filled with so much love and admiration for you such the phenomenal woman you are/were.
I don't know how to move on as I've traveled this road before but always with you just a phone call away.
I love you so much ! Continue to watch over me as you have always done please share kisses with my angels that's are there that has greeted and welcomed you home
until we meet again
My sweet Aunt Jo-Anna

I told Sis Jo on a few occasions I was going to be like her when I grew up. (smile) self-sufficient, confident, faith-filled, stylish...a lady! Still my goal. She will be missed. My prayers of peace and comfort to the family with heartfelt condolences.
