On behalf of Uncle Joe's older sister, Sammie Ruth (Houston, TX) she was saddened to hear of his passing. BUT, she was overjoyed to know that she would see him again one day in Heaven. She loved her brother immensely and would often share fond memories of them all growing up together. She spoke of how she was happy to have spoken to her brother on the phone in recent months. She also talked about the last time she saw him last year in Oklahoma City, OK. The love for her baby brother Joe and other siblings is a Strong Bond that

Growing up on the West Coast, I really did not spend a lot of time with Uncle Joe but the times we visited Oklahoma City he was always fun to be around! I remember him always having a big smile on his face! I also remember his big German Shepherd, "Cigar"! I think that's why I love German Shepherds!

Anyways, Uncle Joe will be greatly missed! On behalf of the Moore Family "We Love You Uncle Joe"! And God Bless Tiffany, Christina and Kimberly" !

“ Uncle Joe was my hero. In a society that looks to star athletes and rap stars as role models, I was fortunate to have a real one. He was proud to serve his country even in a time where African Americans were discriminated against in the military. He loved kids and he was every niece and nephew's favorite uncle. His life lessons consisted of family, fun and fishing and he never met a stranger. 'Unc' is the reason I joined the military and I have truly been blessed to have him in my life. Now he's in a place where there are no more wars and the fish are biting everyday. I love you Unc. James, Jr.

“ Mr. Lewis would sit in his yard or on his front porch daily. In cold weather he would be out there in his insulated coveralls with his dog. He was a wonderful, kind neighbor and we will miss him and seeing the wonderful flowers he would put out every year to accent his immaculate yard. May GOD give him rest and may GOD bless his family.
