“ I miss you so much papa!!! I’m so happy to have had you in my life. I wouldn’t be the person I am without you. Even in your last days you taught me so much jus like u did with life. You are the reason I know what real love is and not jus saying it but showing it. I miss coming to see u and bringing you the food you like. Cleaning up the house and making sure u good. I miss both of you so much. Grandma I miss our long conversations. I’d only mean to stop by for a few minutes and would stay talking to you for hours soaking up all your wisdom! “ *Rev. Norton will definitely be missed. I will forever cherish his love for The Lord. I made it a conscious effort to drive down 23rd and MLK on Sundays to speak to him and see him preaching the word of God on the corner. What a true man of God, heaven has gained an angel. Prayers for the Norton family and the OKC Community.*
