“ I absolutely love Brother Anderson. Since the moment we arrived in OKC and 5th Street, Deacon Anderson was authentic, transparent, encouraging and loving. He was especially a blessing to my father, after the passing of my mother, and they would always ask about one another and talk fashion. I know these 2 young men have been reacquainted in heaven.

We love you Deacon Anderson.

To John's biological family and his chosen one, I pray that God will provide you with consolation and peace with his passing. I will miss him every year as I do my Christmas baking. I will remember to have a bread pudding for him. I know you all will miss him but God will help fill those lonely hours.
