“ *I am so deeply sorry for your loss of John, who was truly a very special person who impacted the lives of many in a special positive way. In his case the often-stated expression is so true: I am certain that earths loss is heavens gain. Please accept Our sincere heartfelt condolences - and do remember as someone once said:*

Those we love will remain with us for love itself lives on, and cherished memories never fade because a loved one is gone. Those we love are never more than a thought apart from us; for as long there is a memory, they will live on in our hearts forever. - Rev. Seaborn B. Carter and Sis. Bernice Carter.
