“ My name is Robert McIntyre, I was stationed at Osan Air Base Korea in 1984-85. Johnny either saved my life or kept me from being seriously injured. I was told about Johnny by a friend at Yokota Air Base Japan. He said contact Johnny Trice at Base Operations when you get to Osan. There was a party going on in the squadron, a sister squadron came from Kunsan Air Base and some guy who was gay made a pass at me and I cussed him out, he pulled out a knife, and I jumped out of his reached. Johnny saw what had happened and tackled the guy, taking the weapon and restrained the man. He was my Hero.

“ Johnny you will truly be missed, I enjoyed talking to you I loved your strong relationship you had with the Lord. I'd call you brother and I was sis to you and that was an honor for me because you were the nicest and most caring person I had ever met, Pastor Hollins and I really considered you a friend not just a member of the New Faith Baptist Church, our family loved you and we send our sincere condolences to your family.

“ Bro. Trice was one of the kindest people that I have ever known. He loved God, his family and his church family. Throughout his illness anytime you spoke with him, his greatest desire was to come to church. He definitely made a lasting loving impression on his church family and will be dearly missed.

“ We thank God for putting you in our path. You were such a loving and giving person. Who knew when we met in the military 40+ years ago, we would become beloved lifelong friends! You will be sorely missed and we shall never forget you! Rest easy our friend. Love, the Kirkwoods.

“ Bro. Trice joined as a member of our church a couple of years ago and it seemed like he'd been there from the beginning. He had such a sweet loving spirit. He attended faithfully until his health began failing. He will be missed and he made a huge impression within our church family. My thoughts and prayers are with the family.
