“ *I would like to express my deepest sympathy to the whole family. I like to give the family something comforting from God's word the Bible. It's a promise that God has said He is going to do for mankind soon. Revelations 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May this bring comfort to you and the whole family. You all are in my prayers.*

“ Grandma, I have always thought that you were the strongest woman I have ever known especially when I think of all that you have had to endure in your life. I'm so lucky to have gained so many amazing memories of you being in my life. I do like to think that in many ways I am a lot like you. Thank you for always showing me unconditional love and guidance. I will miss every single thing about you. I love you deeply.

“ Grandma as I sit here thinking about you, it's still hard for me to accept that you have departed from this earth. I can still hear you voice talking to me, giving me priceless advice to help me get through this life. You meant a lot to me and many others that knew you. Grandma you always would tell me what I needed to hear, not what I wanted to hear. Thank you for showering me with your love!!! I miss you so much Grandma and you will always, always be on my mind and in my heart!!!! Love you Grandma!!!
