“ Thank you for everything Mother Wooten, always full of love, encouragement, and a smile...you shared all that you had to whom ever needed it...your wit was like no other...sharp as a tack and always had a come-back!!! Inspired young women if your time to take time out for yourself to keep your hair done, nails polished, and clothes crisp and fashionable. Your hats were second to none and had the whole church in competition with you whenever you stepped out!!! Down home gospel piano player... played “I got to have Jesus” in her own way... I love and will miss you Sister Wooten... I’m saddened that my last time seeing you was back in March as COVID kept everyone inside...I know you are with the Lord and my memories of you will be with me forever...see you when I get there. -StephanieM
