“ I had the pleasure of working with Kaye some years ago when she lived in Wewoka and the girls were just little. We grew to be very good friends and sisters in Christ. I loved her singing and her faith in the Lord! She was such a beautiful woman...inside and out! We talked from time to time catching up on kids and grandkids alike. So thankful theres a great reunion day coming!! Love you Kaye, your NDN sis, Shirley

I loved music and she encouraged and pushed me to sing in church and other venues. My heart is truly hurting for the loss of my friend, but, I can see her singing up in God's choir. Wow! Can't believe you are gone up with God and singing and playing in the heavenly choir. What a jewel you was here on earth. I will forget our school days when we were Cheerleaders together. Singing in Vocal Music together. Seeing your beautiful face on Facebook posting God's Word. Encouraging us to all stay strong in the Lord. I Love and miss you 🥺.

To the family of Sis. Kaye Lynn Bryant, we the Women Ministry of the New Hope Baptist Church extends our deepest sympathy to Karissa, Kelsey, and the rest of the family. Its hard to find the words to express how sorry we are for your loss. We also lost a great woman of God whom we loved dearly. Kaye was an exceptional, vice president, chairperson, and teacher in our women ministry. When God created her, He chose specific talents, skills, and abilities for her. The Lord had a specific purpose in mind for Kaye and knew exactly that she was capable and able to fulfill that purpose. Kaye used her voice to honor God; that is a beautiful thing. She was such a shining light in so many people's lives. We will tremendously miss her kind words and sweet smile. Please know that we will always keep you all in our thoughts and prayers.

Women Ministry President*

It is with great sorrow that I learned of Kaye's passing today on Oct. 10, after the fact. I found out accidently talking with a friend on the phone who I called to warn about the severe weather! I worked with Kaye at Integris when I was a Medical Asst, and later worked with Kaye in medical records & on switchboard. She was always friendly, helpful and kind! She made an impression on me the first time we met working together! We would watch out for each other when the weather was bad....snow, ice, storms, tornados! I will always remember my friend, Kaye! I'm so sorry I missed her funeral. God grant her peace in His presence! Love you, Kaye!
