“ Keisha holds a special place in my life. Every time she came to the library to volunteer or to just be a customer, she would bring her smile and a ray of sunshine. I loved to hear Keisha laugh. She was so quiet most of the time, but when she laughed, she laughed. This world has lost a true representation of pure love. Shereda, thank you for sharing your precious daughter with me.

“ “Love you, sister” that’s how our conversations ended whenever we talked, whether it was about the movie she was watching or her favorite desserts. She had a light and strength about her that brightened up our conversations. I’m grateful for Keisha’s quiet and sure strength and how she loved without reserve. I pray for strength, comfort and peace for the Combs family.

Love you all!

“ To our beloved Combs family,

On behalf of Zoe Worship Training Center we as your church family want to express our heartfelt love and comfort to you in the home going of Keisha. Keisha was and is precious in every way. She touched each of our lives. She was a lover of Jesus and a beautiful worshiper.

Every week she listened so attentively to the message of the word and confirmed it with a confident, AMEN!"

Keisha manifested kingdom citizenship. She had such a tender heart and a welcoming smile. Her tenacity to face every challenge showed such grace, strength and unwavering faith.

She let anyone know, "I am a miracle" and yes indeed she was and is as she lives now in the presence of Jesus.

May you know the Lord's peace and abiding comfort.

We love you so very much.

The body of Zoe.

“ Keisha came to Smart Start in the Schools activities with her mom, Shereda. Keisha loved to join us and helped us pass out materials. She was the sweetest young lady I have met in a long time. She never let her medical issues tarnish her spirit. She will be missed at our SSITS activities and all who loved her very much. Peggy Brinson, Coordinator-Smart Start in the Schools

Shareda, We extend our heartfelt condolences to you and your family. Keisha was a very special young lady and a gift to you and your family for this very short time. We always loved seeing her help at a few of the Smart Start sessions. Her presence made us aware of how each of us are unique in our own special way, but valuable for the overall good. We each have purpose and Smart Start was a means that she exemplified goodness. You have shared that she is with the Lord and that brings great peace. As a mother, you took as much pride in her accomplishments as you did with her talented siblings. For Jerry and me, sharing just a short amount of time with keisha, made us more sensitive to the needs of others.

*We love you and please know that you are in our thoughts and prayers!

Greetings and Blessings In the Name of Our Lord and Savior Jesus Christ. Our sincerest and heartfelt condolences to our family Clifton and Shereda Combs and Family in the loss and transition of their precious Angel Keisha. We had the pleasure of meeting this beautiful young woman and her siblings a number of years ago. She exuberated a gorgeous smile that shined a light like no other. Her strength could have carried armies around the wall of Jericho more times than Joshua would have ever required. And all of this from meeting this young lady on one occasion. My heart is saddened that my family was not afforded the privilege of meeting her again. Even though I pray that we will meet again if the Father says so for me, I'm sure that Keisha already has a reserved seat on High! My heart feels sorrow for my cousins Clifton and Shereda. Praying that God will be able to comfort your hearts during this time of your lives. God bless you and I love you with the love of God. R.I.H. Precious Keisha. The Younger-Lewis Family
