“ Keith had that swag when he walked and had a beautiful smile. He loved music and dancing. You and Linda had a Halloween party one year, and I dressed as a pregnant nun. The part you and I laughed about most was the fact that I was really pregnant. When we brought our child home from the hospital, you would move her bassinet directly in front of the speakers and blast Stevie Wonder's song, *Isn't She Lovely*. You and Shaneice would dance and sing that song to her every day. I think that explains how she is able to fall asleep and stay asleep through thunderstorms and tornadoes.

*Thank you for the precious gift of our daughter, LaJuan. When LaJuan and I flew to California to see you the weekend of your last birthday, we had no idea we would never see your beautiful smile again but don't worry, LaJuan has it.*

*Rest In Peace,  
Janice Foster*
