“ I'm so broken hearted to find out he's gone. He was such a life force and made such an impact in my life. You are dearly missed.

“ Kelly was blessed with magnificent talent in numerous ways. He was a great athlete. When I introduced him to golf he became better than me in less than a year. After he was shown table tennis at a family gathering, he became the OKC youth champion in less than a year. And he was a believer. I don't think he ever had a better explanation of his faith than the eulogy that he gave at his grandmother's funeral. I am proud to have been his "God uncle" and brother from another mother to his parents. Malthus Northcutt

“ First to the family God's arms are stretch wide for comfort and peace; reach up and grab it. Kelly was a good teacher of God's word. His main objective was to get us to study for ourselves. He said don't take his word for an answer; look it up or show it to him in the bible. Kelly will be missed.

Prayers to the entire family. Rev Mason will truly be missed, big heart, was a great Associate Minister at Wildewood Baptist Church. His soft gentle contagious smile will always remind me of the sweet person he was. Always positive and encouraging. I'll definitely miss his roaring engine of his infinity going out the church parking lot. Rest our dear friend until we meet again. You fight a good fight! We miss you!
