“ *Kenny was a true friend indeed; he was my first operations manager at UPS when I was hired the first week of August 1985 in OKC as a loader under Phil Mestes. He was a true Martial Artist, kind, very articulate, and a great leader to follow in the business. A servant that showed followers how and followed up on his employees. Thank You LORD for sending us Kenny Quick talking Houston. You are loved and truly will be missed.*

*Respectfully,
Marshall Liggins, Servant of GOD*

Ken Houston was my Boss In Louisiana in 2004. Ken was family he was at the hospital when my daughter was born being Ken, taking pictures capturing the moment. Ken was a very good hearted person under that tough exterior. Ken had multiple names K2, and binder boy mean he was tough and well organized. I knew the caring side of my friend who would attend church with me, ate lunch with me and gave me good raises to take care of my family. I love my elders brother because I hated when he left Louisiana but I Knew why his son Zack. I miss my friend dearly but I know he is in the present of the Lord teaching someone how to get better. I miss U my friend take your rest until we meet again in glory. Namon Harris

“ *I've lost a true friend. I met Kenny shortly after I moved to OKC with UPS. He demonstrated diligence and dedication that inspired me to be the best that I could be. We became true friends on and off the job. Kenny was smart, witty, intelligent and compassionate. He could also be a "pain in the butt. I'll miss him but I'm assured that he was welcomed home by our Lord and savior, Jesus Christ. My prayers are with his family.*

“ I worked with Kenny for many years at UPS. He was always fair and whom I considered a role model. He had a great laugh, and sense of humor. I am a better person because of Kenny. My prayers go out to the family for their loss. Thank you Kenny for all you the people you helped.
