“ My Best Friend aka "Self" is and will forever be the air that I breathe, my heart, my confidant, my prayer partner, my Sister! She exemplified what having a pure heart is, always Selflessly lending a hand of support and servitude to all that came in contact with her! An Angel on earth, an amazing mother, daughter, Sister, auntie, cousin and friend! I'm going to miss hearing her voice, sharing those late night laughs, venting and sharing our every emotion, spending countless hours on the phone, sending the million videos & memes, but most of all her presence! To have been blessed to know her is to love her! I love you Self, always and forever! "WE ARE 1!" Thank you for 17 years of loyalty, love and friendship!

“ Hey friend, definitely not what I wanted to hear. The Enchanted Christmas event we took the kids to were our last moments in person. We had a blast and that's what I'm going to hold on to. We knew each other briefly but felt like a lifetime when we spoke with one another. You will be missed friend and God has your moma, baby, and loved ones. So get your rest beautiful.💛

“ My sister was a giver. She was quiet in her giving. She didn't make announcements, she just did things. She was a GREAT mother. Her memory will live on. I'm going to miss you sister. I love you forever

For the last 20+ years we would always pick up wherever we left off like no time had passed. Family is on always blood but the people you choose, and I am blessed that I got to be a part of your life and had the privilege to know you. I Love you cousin always.
