“ K.G....one of my few older first cousins. I love you so much. Although we didn't see each other often, when we did, it was always a good time. I see his smile and hear his voice right now. He always welcomed me with a big bear hug every single time I saw him. It brings me happiness to know that the very last time I saw him was on my wedding day and I will never forget how happy he was and how much fun we had that night. Although he is no longer in his human form, his spirit will live with us forever. I love you forever and ever.
