“ Kevin and his beautiful wife , traded at Strawn's Corner for years. They were a very friendly couple , always glad to see and talk with them. I was saddened years ago when Kevin's brother passed , we called him'sticks' , because he played the drums. Kevin and I would talk for a long time , when he came into the store. I do however , am hurt by the passing of my friend and a good man , but I am also hurt that all the times he and his wife would stop in , not once did they take me with them fishing , lol. Seems like they were going somewhere every weekend. Officer Kevin , time to voyage to your final home and we will see you when it is our time.
