“ *My Precious Family.*

I am writing this tribute to LaDon with a sadness I cannot describe.

I simply loved him.

LaDon, and his brothers Calvin and Granville would spend part of their summers with us.

My Sisters Gladys, Cookie , Lahunter and our brother Will, would take them fishing.

No matter how hot it would get they wanted to go fishing Mother, would make us go with them.

Mother would cook Cornbread and Biscuits. they would say " We do not like bread".

You would have to taste my Mother's bread to find out why they soon changed their minds about bread.

She was an excellent cook.

LaDon, loved to bounce on the bed.As a child he was so much fun

Matthew 28:20 Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always even, unto the end of the world

Please know I love each and everyone of you.

I will keep you in my prayers.

My name is lamar burks. I am the football historian of Btw high, tulsa. As a player, also for the 73 state team, Ladon was one of great ones that us young hornets use to want to be like . He wore "66, with pride, during his championship days , titles 67, and 68. I had the opportunity to coach his nephew kevin at Btw as well, and his was from the same mold. Met Granville, as well and they both kept the 66 number in the family. Memories of Ladon, and his playing days have been documented in our historical center building. Liggins was one of the great ones. When I go back to work in the museum, next week, I will be sure to holler out his name. May he Rest In Peace!

“ *My Dear Family,*

I cannot find a single adjective to properly define my sadness

When we were children each summer LaDon would come to our house and spend a couple of weeks with us.

I remember how he would help my Mother in her garden. He enjoyed working in the garden .Even as a child he had landscaping ability.

As a little boy he had the prettiest legs.

Say hello to our Brother Jesus, Thank him for His Grace. Tell God we thank him for giving us his only begotten son.

In Heaven you have so much to do, so many people to see.

A golden heart stopped beating. Two busy hands at rest.

My dear cousin, I loved you.

“ Dear family,

Please know you have our deepest and heartfelt sympathy.

On September 13, 2017, God said to the angel standing at His right hand, Go Down to Oklahoma, and bring me the Landscaper, he has lingered long enough, go down to Oklahoma and bring him to me.

Take your rest LaDon, Take your rest. We loved you but God loved you best. We know that God does not make any mistakes. There was A yard that needed the green thumb of LaDon. God picked the best landscaper.

I remember as children you would come and visit and as children we played all day.

We had so much fun.

I admired your knowledge of horses.

For a few precious years we held you in our love, we will hold you in our hearts forever.

“ LaDon was our neighbor for five years. We talked many times - mostly about his beautifully landscaped yard. He spent many hours tending to it. Our condolences to his family, and know that we are only a few steps away if you need anything.
