“ I met KiKi at Central State University (now UCO) in 1980 at my first year in college..She was a resident assistant...After graduation, I did not see Kiki until I started going to Tan and Tone and I saw her a few times when she worked at KFC...It was a real pleasure knowing Kiki and to see her and to talk about the good old days when we were at Central State University. My sincere condolences to the family.

“ I will always love you and hold you dear to my heart. You've always shown me motherly love before and after the passing of my biological mother. You raised me from 7th grade until adulthood, you were there during the times I needed a mother the most. You always made it a point to let me know just how much you loved me and Savion. I'm forever grateful that I was blessed to have you in my life. I still remember us going shopping for my prom dress, we found the perfect dress at Dillard's. Preparing me for graduation, my first real fitting. Never missed a birthday, holiday nothing. The last words you spoke to me you whispered softly that you "love me" even in your weakest time. Missing you will be something I do for the rest of my life. Rest in heavenly peace! Xoxo Keiah!
